Dear Dr. Punga:

This is to certify that the journal *B.A.S British and American Studies*, ISSN print 1224-3086, ISSN online 2457-7715, is indexed in the MLA International Bibliography and listed in the Directory of Periodicals. The 1996-2008 volumes have all been indexed and the 2009-2015 volumes are in the process of being indexed and should appear online soon. We look forward to indexing future volumes as they are published.

The MLA International Bibliography, the most widely distributed humanities database, is the preeminent reference work in the fields of literature, language, linguistics, folklore, and teaching. The bibliography lists over 1.5 million citations, and is available worldwide in print and online. Most North American and European higher-education institutions subscribe to the bibliography; it is used by a broad range of researchers—from high school students to senior scholars.

Please do not hesitate to contact me if you have any questions.

Sincerely yours,

A handwritten signature in black ink that reads "David Wright".
